

Score

Sleigh Ride

for Percussion Ensemble & Piano 4 hands

Leroy Anderson
Julian Kwoun

Allegro con ritmo

The score is for a piece titled "Sleigh Ride" by Leroy Anderson, arranged for Percussion Ensemble & Piano 4 hands. The tempo is marked "Allegro con ritmo". The key signature has two flats (B-flat and E-flat), and the time signature is common time (C).

The percussion ensemble consists of the following instruments:

- Glockenspiel
- Vibraphone (2 mallets)
- High Marimba 1 (4.3 octaves)
- Low Marimba 1
- High Marimba 2 (5 octaves)
- Low Marimba 2
- Timpani (G, Bb, C, F)
- Sleigh Bells
- Wood Blocks
- Whip (Slap)

The piano part is for 4 hands (Piano I and Piano II). The score includes dynamic markings such as *f* (forte), *mf* (mezzo-forte), *mp* (mezzo-piano), and *p* (piano). The score is written for 8 staves, with the piano part occupying the bottom two staves and the percussion ensemble occupying the top six staves.

III: B $\flat$ to A

Detailed description of the musical score: The score is for measures 67 through 74. It features a variety of percussion instruments. The Glockenspiel (Glock.) plays a melodic line in measures 67-69, with dynamics *mf*, *sfz*, and *p*. The Vibraphone (Vib.) plays a continuous eighth-note pattern in measures 67-69, with dynamics *mf*, *sfz*, *p*, and *mp*. The High 1 and Low 1 cymbals play chords in measures 67-69, with dynamics *mf* and *p*. The High 2 and Low 2 cymbals play chords in measures 67-69, with dynamics *mf* and *pp*. The Tom-tom (Timp.) plays a pattern in measures 67-69, with dynamics *p* and *mf*. The Piano I (Pno. I) and Piano II (Pno. II) play chords in measures 67-69, with dynamics *mf*, *sfz*, *p*, and *mp*. The Snare Drum (S. B.) plays a pattern in measures 67-69, with dynamics *p* and *f*. The Wood Block (W. B.) plays a pattern in measures 67-69, with dynamics *p* and *f*. The Whip plays a pattern in measures 67-69. A key change to A major is indicated at measure 73.

Whip

Detailed description of the musical score: The score is for page 11, starting at measure 83. It features a variety of percussion and piano parts. The Glockenspiel (Glock.) plays a melodic line in the treble clef with dynamics *mf*, *sfz*, and *p*. The Vibraphone (Vib.) plays a similar melodic line in the treble clef with dynamics *mf*, *sfz*, *p*, and *mp*. The High 1 and Low 1 bells play chords in the treble and bass staves respectively, with dynamics *mf* and *p*. The High 2 and Low 2 bells also play chords, with dynamics *pp*, *mf*, and *mp*. The Snare Drum (S. B.) and Whip play rhythmic patterns, with the Snare Drum having dynamics *f* and *mp*, and the Whip having dynamics *p* and *f*. The Piano I (Pno. I) and Piano II (Pno. II) parts are more complex, with Piano I having dynamics *mf*, *sfz*, *p*, and *mp*, and Piano II having dynamics *p*, *mf*, and *mp*. A section change 'III: A to B $\flat$ ' is indicated at measure 86.

Detailed description of the musical score: The score is for measures 121 through 127. The Glockenspiel part (measures 121-127) features a melodic line with a half note, quarter notes, and eighth notes, ending with a half note. The Vibraphone part (measures 121-127) consists of chords and single notes, with a triplet of eighth notes in measure 126. High 1 and Low 1 bells (measures 121-127) play a melodic line with a half note, quarter notes, and eighth notes, ending with a half note. High 2 and Low 2 bells (measures 121-127) play a melodic line with a half note, quarter notes, and eighth notes, ending with a half note. The Timpani part (measures 121-127) is a simple rhythmic pattern of quarter notes. Piano I and II (measures 121-127) play a complex melodic line with a half note, quarter notes, and eighth notes, ending with a half note. The Snare Drum part (measures 121-127) is a simple rhythmic pattern of quarter notes. The Wood Block part (measures 121-127) is a simple rhythmic pattern of quarter notes. The Whip part (measures 121-127) is a simple rhythmic pattern of quarter notes. Dynamics include *mf* (measures 125-126), *mp* (measures 121-124, 127), and *f* (measure 127). Performance instructions for timpani are provided: (III: A to B $\flat$) and IV: G to F.

Detailed description of the musical score: The score is for measures 128 to 135. The key signature has two flats (B-flat and E-flat). The Glockenspiel part (measure 128) has a first ending bracket from measure 135 to 135, marked with a box containing the letter 'I'. The Vibraphone part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The High 1 part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The Low 1 part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The High 2 part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The Low 2 part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The Timpani part is silent. The Piano I part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The Piano II part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The Snare Drum part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The Wood Block part has a melodic line in measure 128, then rests, then a melodic line in measure 129, then rests, then a melodic line in measure 130, then rests, then a melodic line in measure 131, then rests, then a melodic line in measure 132, then rests, then a melodic line in measure 133, then rests, then a melodic line in measure 134, then rests, then a melodic line in measure 135, then rests. The Whip part is silent.
