III. “빨리 빨리!!” (7 min.) - pp. 82

Notes

Based on various Korean Taryeong folk melodies. Each of the three movements represent what I call a 'cultural phenomenon' of Korea, shown by their own individual subtitles.

First movement, roughly translated as 'The Country of Excitement' depicts the vast and various joyful activities one could experience while living in Korea. In strict sonata form, the movement is based on 군밤(Roasted Chestnut), 새(Bird), and 한강수(Han River) Taryeong melodies.

Second movement, directly translated as 'The People of Han' is based on a unique emotion only for Koreans because of the word 'Han'(한). Although it has many different meanings based on context, the mixed feelings of sadness, resentment, and longing because of Korea's colonial times, many wars and hardships are chosen as the main inspiration for this movement. Roughly written in (ABA'B'A") structure, it is mostly developed musically very freely throughout. The three Taryeong melodies use in this movement are 도라지(Balloon flower) specifically the roots of the plant, 창부(Changbu) a Shaman of some sort, and 이야흥(Iyahong) an onomatopoeia based on Jeju Island tunes used at the ends of a solo verse.

Third Movement, Ppalli Ppalli' meaning 'faster faster' is perhaps considered a recent phenomenon of Korean culture. Rondo in form, it illustrates the busy and bustling culture of modern day Korea, the good and the bad. The three Taryeong melodies are 계화자(Gyehwaja) based on the name of a historic Korean Courtesan, 경복궁(Gyeongbok Palace), and 몽금포(Monggeumpo) a harbor within the Hwanghae province.

The title Sinfonietta is deliberately chosen only for the reason to motivate myself for a larger and better piece suited for the title of 'Symphony' in the future. It is important to note that only the musical elements of the Taryeong tunes were considered when composing this piece, no historic or meaning behind the lyrics were considered. Many of my all-time favourite early to late romantic composers were my major influences composing this piece, and I hope this has done somewhat of a justice to my good friends, acquaintances and lovely family members in Korea who I owe much for how I now treasure my identity as a proud Korean.

Db.

Detailed description of the musical score: The score is for a full orchestra. The woodwind section (Flute, Oboe, Clarinet, Bassoon) and brass section (Horn, Trumpet, Trombone) have complex melodic lines with various dynamics like *mf espress.*, *pp*, *mp*, and *p*. The percussion section (Timpani) has a simple rhythmic pattern. The string section (Violins, Viola, Violoncello, Double Bass) provides a harmonic and rhythmic foundation, with some parts marked *div. pizz.* (divided pizzicato) and *unis. sul tasto* (unison on the fingerboard). The score is marked with a rehearsal symbol 'A' at measure 8. The key signature has three flats (B-flat major or D-flat minor). The time signature is not explicitly shown but appears to be 4/4 based on the notation.
